No. Estt/2025/ 2668-2728 Dated: 31/01/25

Subject:- Regarding updating data on LMS.

As you are well aware that Government has formulated a software, namely, Litigation Management System (LMS) for proper monitoring the court cases. In this software, the data of each and every court case is required to be entered.

Accordingly, the Department has created User ID. The User ID and Password already provided to you by this office.

Further, Instructions were also issued to enter all data of court case and regularly updating case status in the 'LMS' software (<https://lms hry.gov.in>).

However, it has been observed that the field officers are not regularly updating the data of the court cases.

It is, therefore, again requested to ensure that all data of court cases are entered and updated data regularly as well as Profile, current contact information etc., if any. In case of any difficulty, you may contact Headquarters, Chandigarh.

The above are to be complied with meticulously and regularly.
